

Catchbag

Bean bag

Design — Iiro Viljanen

Catchbag is a compact beanbag for learning and working environments. The design enables it to stay in shape and remain comfortable sitting position. The upholstery fabric of the chair is very durable and easy to clean. The top and separate inner bag both have a zip.

MATERIAL DESCRIPTION:

Upholstered with easy-to-clean fabric called Soft.
A removable cover and a separate inner bag filled with EPS-pearls, both with a zipper.

Volume of Catchbag: 400 l

Standard colours:

Touch basic beige
Touch basic green
Touch basic red
