

# Diagonal

## Puff

Design — o4i Design Studio

---

Diagonal er både sofa og romdeler. Møbelet består av fire puffer med forskjellig form og de kan kombineres med en skjerm. Én av sofamodulene er høyere enn de andre og egner seg for å plassere for eksempel laptopen på. Diagonal er et fantastisk møbel, for eksempel i åpne vestibyler.

---

**MATERIALBESKRIVELSE:**
