

Jojo

Sit and stand table with X-base

Design — Iiro Viljanen

The height-adjustable Jojo desk increases activity and wellbeing at work. Jojo with X-base is perfect choice when a small desk is needed - both at the office and home. The compact Jojo desk is easy to move and highly functional, which increases flexibility in various types of spaces. Its easy-to-use, effortless and stepless height adjustment enables users to work actively and ergonomically – sitting down or standing up. The Jojo desk is also available with an H-shaped base – the desktop sizes vary depending on the base.
