

Logic 400

Task chair

Logic 400 is an ergonomic task chair. The chair has a high back and an air-pump-adjustable lumbar support. It is designed for longer periods of sitting and its sturdy seat helps maintain a good pelvic position and ergonomically supports movements in a variety of work tasks.

MATERIAL DESCRIPTION:

Armrests: black, button grey.

Seat and front side of the backrest upholstered, back side of the backrest black plastic or fully upholstered.

5-star base (ø 700 mm): painted black or grey or polished aluminium.

PRODUCT CODE NUMBER:

135 = without armrest,

136 = with armrest,

137 = without armrests, XL-seat

138 = with armrests, XL-seat

B = neckrest

T = fully upholstered back

ACCESSORIES:

Support for lower back adjustable by air pump (standard in the 400), adjustable neckrest, larger XL seat (4 cm longer, 2 cm wider), coat hanger, low, telescopic or high column, foot ring and fully upholstered backrest, rotating armrests, glides, soft or hard castors.

FABRIC CONSUMPTION:

0.9 m / pcs

ADJUSTMENTS:

Seat height and depth adjustment, seat and backrest tilt adjustment (separately, stepless), backrest height adjustment, swing function (stepless locking), tension control, armrest height, angle, depth and width adjustment.

WEIGHT:

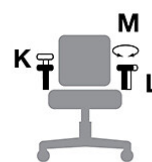

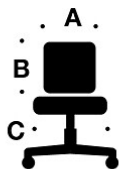

21.8 kg

DESIGN AWARDS:

FIRA Ergonomics Excellence Award, UK
